**LOT 2 - The Romance of the Newfoundland Caribou – An Intimate Account of the Life of the Reindeer of North**

**Description**

The Romance of the Newfoundland Caribou is a book written by Arthur A. Radclyffe Dugmore, which provides an intimate account of the life of the reindeer in North America. The book is a fascinating read for anyone interested in nature and wildlife, particularly the caribou of Newfoundland. The author shares his personal experiences and observations of the caribou, their behavior, habitat, and migration patterns. He also delves into the history and cultural significance of the caribou to the indigenous people of Newfoundland. The book is richly illustrated with photographs and sketches by the author, which add to the reader's understanding and appreciation of the caribou. The Romance of the Newfoundland Caribou is a classic work of natural history and a testament to the author's passion for the subject. Overall, this book is a must-read for anyone interested in the caribou of Newfoundland and their place in North American wildlife. It is a beautifully written and illustrated account that will leave readers with a deep appreciation for these magnificent creatures.
