### Description

With Vancouver's rainy season in full swing and ski season right around the corner - this jacket is sure to get you through it all.

**About Walk Gently from Arc'teryx:** The Walk Gently platform celebrates and honours indigenous artists and designers by sharing their work and stories—through their own voices and from their own perspectives.

By centering indigenous voices, traditions, and directives on how to live in relationship with the land, it is our hope that everyone in the outdoor community may more deeply consider the places we journey through—and those who have been caretakers of these places since time immemorial.

Arc'teryx was founded on the unceded territories of the x<sup>w</sup>məθk<sup>w</sup>əyəm (Musqueam), Skwxwú7mesh (Squamish), and səliłwətał (Tsleil-Waututh) people—the original and ongoing caretakers of the place now known as Vancouver, B.C., and the surrounding area.

Walk Gently invests funds and product from every collection back into the communities we celebrate.
