Benoni Negroni is a premium, ready-to-drink Negroni that is inspired by their co-founders, Barry and Stephen, and their shared passion for this classic cocktail. They saw an opportunity to bring a sophisticated version of the Negroni straight from their barrels to your glass. They use meticulously sourced high quality botanicals to create

this complex, bitter, sweet and aromatic cocktail with an exceptionally smooth finish. It captures the true spirit of the Negroni with a nod to the rugged charm of our home, North Vancouver.

Now available in liquor stores — but you can snag this cocktail at a premium silent auction price! Don't miss your chance to take home a local favorite.

Ingredients: STEALTH neutral spirit made with local organic wheat, red grapes, selected botanicals including: ginseng, wormwood, juniper, cherry bark, sage and camomile.

24% ABV
